 April 1 to September 30:  
 8 a.m. to 8 p.m., Monday through Friday

# SCAN Affirm

in partnership with Included LGBTQ+ Health

Healthcare is not one size fits all. Certainly not when it comes to the needs of the LGBTQ+ community—and especially for those 65 and older. SCAN Affirm combines SCAN's expertise caring for older adults with Included Health's dedication to the LGBTQ+ community to create a dignified health journey.

## It Starts with Care Coordination

SCAN Affirm provides concierge care coordination for SCAN members in the LGBTQ+ community. The Care Team can help you with a variety of health needs, including finding a doctor that is close to home, who makes you feel comfortable being exactly who you are.

### Your Care Coordinator Offers:

- Help finding affirming care
- Connection to resources and programs
- Understanding your challenges and goals
- Support using all your SCAN benefits

## With Benefits Built for You

SCAN Affirm is a Medicare Advantage plan that covers the specialized, quality healthcare you need to age with dignity and respect.

In addition to comprehensive medical, prescription drug and dental coverage, SCAN Affirm includes such extras as:

- **Lower cost specialty pharmacy coverage** including HIV treatments and gender-affirming hormone therapy
- **Legal services reimbursement** for important documents like Power of Attorney or advance directive. This benefit is a part of a special supplemental program for the chronically ill. Not all members may qualify.
- **In-home support** to help with everyday tasks.
- **Mental health** virtual appointments through your SCAN Behavioral Telehealth benefit.
- **PrEP and HIV testing** at no cost.
- **One Pass** fitness benefit offers access to fitness centers and premium fitness studios as well as on-demand and live-streaming classes.
- **Over-the-counter catalog**, offering a wide range of health and wellness items and safety products.

## You can find us in:

SCAN Affirm partnered with Included LGBTQ+ Health (HMO) is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal. You must continue to pay your Medicare Part B premium.

You won't pay more than \$35 for a one-month supply and no more than \$105 for a three-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on. Most adult Part D vaccines are covered by our plan at no cost to you. For more information, please refer to your "Drug List" (Formulary). If you have questions about the Drug List, you can also call Member Services. Prescription copay/coinsurance may vary by plan, county, pharmacy type (e.g., Preferred or Standard, etc.), day supply, Part D benefit phase, or in members who receive "Extra Help." You can fill your prescriptions at any of our network pharmacies, but you may pay less at a Preferred pharmacy. Check your Evidence of Coverage or call Member Services for details (phone numbers for Member Services are printed on the back cover of your Evidence of Coverage).

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts Pharmacy<sup>SM</sup> is our Preferred mail-order pharmacy. While you can fill your prescription medications at any of our network mail-order pharmacies, you may pay less at the Preferred mail-order pharmacy. Typically, you should expect to receive your prescription drugs within 14 days from the time that Express Scripts mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact SCAN Health Plan's Member Services. For your mail-order prescriptions, you have the option to sign up for an automatic refill program by contacting Express Scripts Pharmacy at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711. You may opt out of automatic deliveries at any time.
